GLOSSARY

Gyoza

Grilled Japanese ravioli

Edamame

Steamed soy beans

Tofu

Tofu, also known as bean curd, is made by coagulating soy milk

Futomaki

Roll of nori seaweed wrapped in white rice prepared with rice vinegar, garnished in the heart

Shiso

Seasoning plant from East Asia, powerful & acidic

Wagyu Beef

Originally from Japan, its name comes from “gyu” (beef) & “wa” (Japan)

Tobiko flying fish roe

Very popular in Japan, these flying fish eggs are unmissable.

“Tobiko” is Japanese name for flying fish eggs

Streusel

Streusel is a mix of butter, flour & sugar that is sprinkled on some pastries before baking.

It can be enriched with spices or powder, even fine pieces of dried fruits

Rooibos

Rooibos is a shrub of the Fabaceae family. It is also called red bush.

It grows in South Africa in the Cederberg Mountains

Aji Amarillo

This is the essence of the flavor of Peruvian cuisine.

It is a sweet yellow pepper, very aromatic & tasty

Kuro Maguro

Common Japanese name for tuna
